PICK UP & DROP BACK

1. Warehouse hours are Monday to Friday between 9am and 3pm unless otherwise organised.
2. We are in and out on event sets and deliveries, so please provide Brandition with an approximate time for your pick up and drop back so that we can have your items ready for you and ensure that someone is here.

PRODUCT TRANSPORT

1. Please ensure you have an appropriate vehicle for your dry hire. We prefer that your vehicle is enclosed or has suitable weather cover (such as a tarpaulin) at a minimum.
2. We reserve the right to refuse the departure of your booked items should you arrive in an unsuitable vehicle, or if you cannot safely transport our products. Please bring packing blankets, tie downs, and ropes to protect hire items from damage.
3. If your order is large or an awkward shape, we highly recommend a minimum of two people to safely lift and load.

CLEANING & RETURN OF ITEMS

1. Brandition require that the Customer return the equipment in the same condition that it was provided. If it is not possible to return the items as supplied, it is the Customer's responsibility to inform Brandition and in turn Brandition will make the necessary arrangements to have the items restored to a suitable standard at the Customer's expense.

DAMAGE

1. While all care is given to providing quality hire goods, it is the responsibility of the Customer to check all goods immediately upon pick up. If there are any inaccuracies or short supply of goods or any major fault or damage in the goods it is the responsibility of the Customer to notify Brandition in writing, within 2 hours of pick up.
 2. The Customer must take all reasonable steps to protect the items supplied from loss or damage. The Customer is responsible for any loss or damage (irrespective of the cause) and will compensate Brandition for the cost to repair or replace the items.
